June 2009

Dear Parents and Guardians,

I hope this letter finds you well. Once again I want to thank you for choosing St. Francis Cathedral School to meet your child's educational needs. Please note that this letter contains information that is important for the 2009-2010 school year. Additionally, the summer reading list is enclosed.

"Peanut and Tree-Nut Safe Zone"

St. Francis Cathedral is a peanut and tree-nut safe zone. Therefore:

1. No food item containing peanuts or tree-nuts will be allowed into the school at any time. This includes items with warnings such as "may contain traces of peanuts" or "manufactured on equipment that also processes peanuts and tree nuts."
2. All food items brought into school to be shared must be store-bought and contain a list of ingredients. Homemade food is NOT permitted.

Important: New uniform policies for the 2009-2010 school year:

1. **Uniform shoes for grades K-8:** black, brown, leather, or suede tie shoe with a rubber sole is the only acceptable school shoe. No slip-on shoes are permissible. The shoes are to be worn with the winter uniform. Black or white sneakers may still be worn with the summer uniform.
2. **Middle School:** middle school students ONLY have the privilege of wearing black sweatpants for physical education classes. The 2009-2010 school year is the transitional year during which time students may still wear the grey sweats. During 2010-2011 school year all middle school students will wear black sweatpants.

The 2009-2010 school year will begin on September 1st for grades 1-8 with a noon dismissal. Kindergarten and PreK will begin on September 2nd, which will be a full day for all students. Expect to receive another letter during the summer with further details.

I pray that God will bless you with rest and good health during the summer months.

With best wishes,

Barbara Stevens
Principal
